

Parade line up begins at 9am Monday, May 26th.

Look for volunteers in flourscent safety vests.

Please know what street to enter on and your entry number upon arrival.

Be patient. It's a parade, not a race. Do **NOT** make stops during the parade.

Remember what today is about - honoring those who have made the ultimate sacrifice.

This makes the line up easier for everyone!

All Enteries need to be decorated please. Theme: Henry County's Tribute: Remembering Our Fallen, Honoring the Brave. We ask that floats and those participating add a Henry County residence photo and/or name of a fallen service member
